

2024 Year End Giving At Grace

Palestine Youth Mission

While the Palestinian people in Gaza have experienced massive death and destruction since October of last year, those in the West Bank and East Jerusalem have endured ongoing and escalating assaults and killings by the Israeli military and settlers. Our friends in Nablus face new and more difficult challenges each day. The young people from our Nablus churches cherish the opportunity to come to Virginia to assist others. It feeds their souls and helps them cope with the violence and uncertainty they face every day. Your donation will help make it possible for them to come in the summer of 2025.
Total: \$1 to \$3,000
